- **Parking can be especially busy at Elvaston Castle and we are very keen to eventually make our event as carbon neutral as possible. So, to start this, we would ask that as many people as possible think about other ways of getting to the event, maybe walking, running, cycling or if arriving by car to car share with others.**
- For those who do arrive by car, parking is in the Elvaston Castle main car park. This is a pay and display area and the current charge is £1.60 for 2 hours or £3.00 for 4 hours. There are 5 machines, 2 which take cards and 3 which take coins/cards and contactless payments. Prices are correct as of 25/10/2020 but could be subject to change (a link to the charges as below).
